Oh and welcome our new typesetter. He prefers working using GIMP and I'm not pro enough to use it so I depended on him to apply edit of the scans, etc.
Also, many thanks to folks at #mahjong. They helped me explaining lots of terminologies used in this chapter.

MAHO WASN'T REALLY CONFIDENT TO DECLARE RINSHAN KAIHO, IT WAS DIFFERENT FROM THE FIRST ONE
ABOUT THE SECOND ONE,
I DON'T BELIEVE IN OCCULT THINGS LIKE THAT

SOMEHOW, MAHO WANTED TO DO THE SAME
.....

YOU TRY TO MIMIC YUUKI AND ME, BUT YOU CAN ONLY DO IT ONE TURN A DAY...
MAHO-CHAN, YOU'VE ALWAYS BEEN LIKE THAT...

IT'S BETTER FOR YOU TO SRENGTHEN YOURSELF BY GETTING MORE EXPERIENCE
HER ADORED PERSON IS WAY TOO STRONG SO HER ONLY WAY IS TO MIMIC...
I'M SAYING TOO MUCH

MAYBE SHE LOOKS LIKE SHE HASN'T CHANGED AT ALL, BUT SHE'S BEEN STUDYING PROFESSIONAL PLAYERS, AND IS ALWAYS GOING HOME LATE BECAUSE SHE TRAINS HERSELF AT THE MAHJONG CLUB!

IS THIS FOR THE NATIONAL SELECTION FOR THE WORLD JUNIOR CHAMPIONSHIP? OR FOR THE NATIONAL MAHJONG TOURNAMENT...?
DO YOU HAVE ANY REASON FOR WANTING THIS EVENT TO LOOK LIKE AN ORDINARY TRAINING CAMP, TO SHOW THAT A PROFESSIONAL MAHJONG PLAYER LIKE YOU ISN'T RELATED WITH THIS?
AM I ON THE LIST ?

SO YOU WANT SPECIAL PLAYERS WHO ARE RARELY SUCCESSFUL IN BEING SELECTED ...

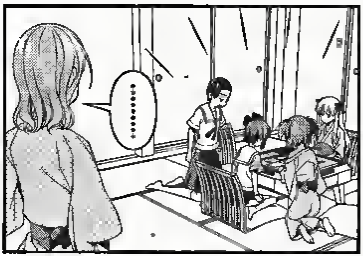
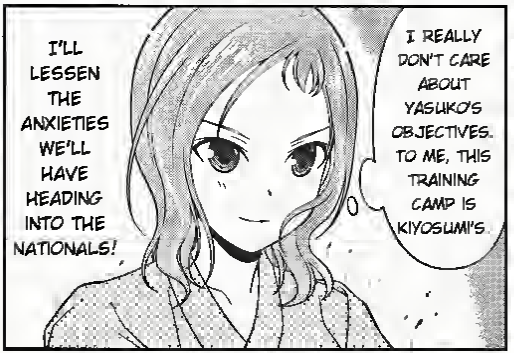
THE ONLY THING I REALLY CARE ABOUT FOR NOW IS THE...
I'M SORRY, YASUKO I DON'T HAVE ANY INTEREST IN THE WORLD LEVEL.

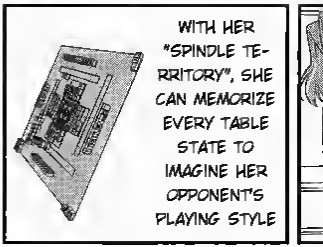


.....

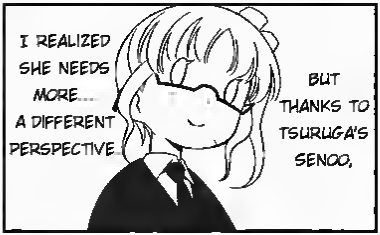


I'LL LESSEN THE ANXIETIES WE'LL HAVE HEADING INTO THE NATIONALS!
I REALLY DON'T CARE ABOUT YASUKO'S OBJECTIVES. TO ME, THIS TRAINING CAMP IS KIYOSUMI'S.

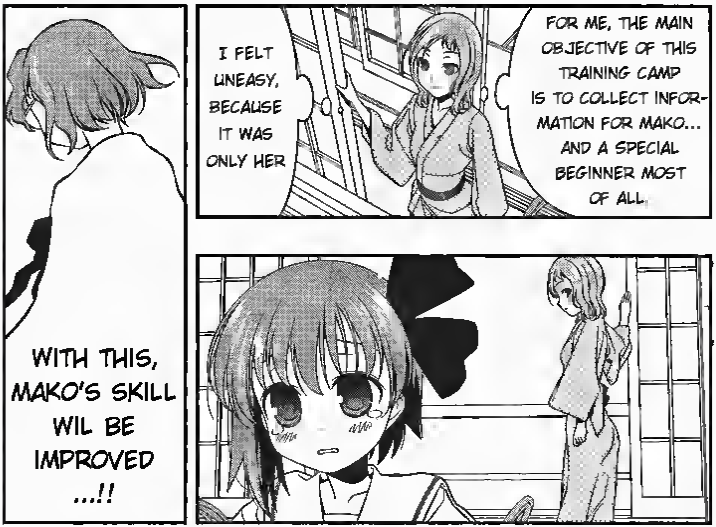
NATIONAL TOURNA-MENT..



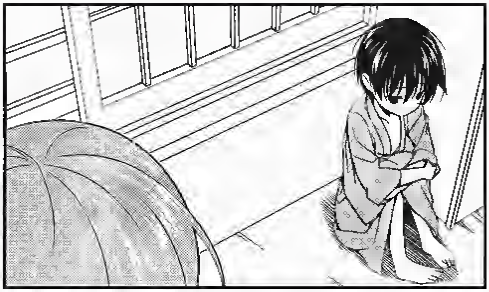
WITH HER "SPINDLE TERRITORY", SHE CAN MEMORIZE EVERY TABLE STATE TO IMAGINE HER OPPONENT'S PLAYING STYLE
FIRST ...
STRENGTHEN MAKO'S SKILL!

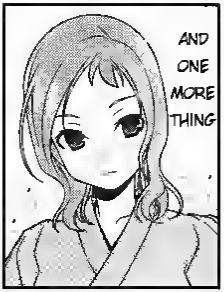


I REALIZED SHE NEEDS MORE... A DIFFERENT PERSPECTIVE...
BUT THANKS TO TSURUGA'S SENDO,
I HAD THOUGHT THAT IT WAS ENOUGH JUST FOR HER...
TO READ THE RECORDS OF HER OPPONENT'S MATCHES

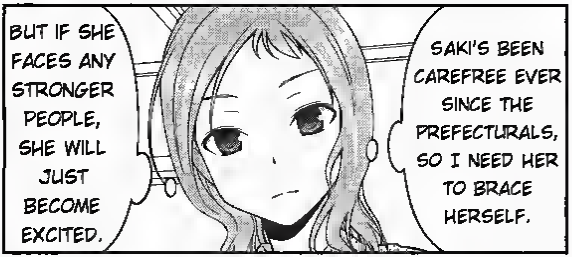


WITH THIS, MAKO'S SKILL WIL BE IMPROVED ...!!
I FELT UNEASY, BECAUSE IT WAS ONLY HER
FOR ME, THE MAIN OBJECTIVE OF THIS TRAINING CAMP IS TO COLLECT INFORMATION FOR MAKO... AND A SPECIAL BEGINNER MOST OF ALL.

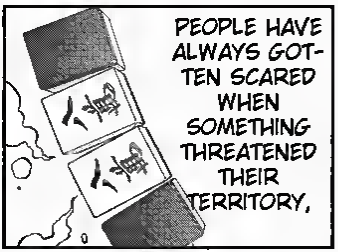


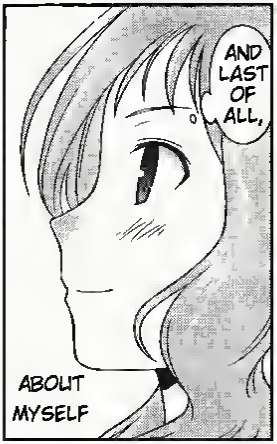


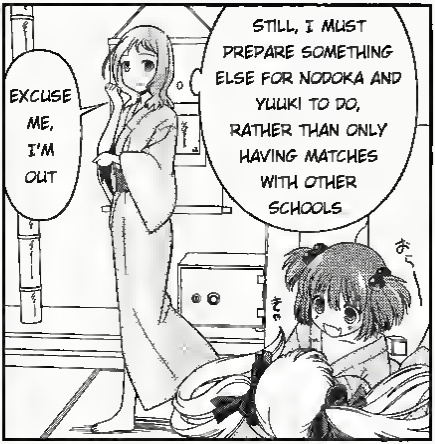
I MUST DO THIS ...



BUT IF SHE FACES ANY STRONGER PEOPLE, SHE WILL JUST BECOME EXCITED.
SAKI'S BEEN CAREFREE EVER SINCE THE PREFECTURALS, SO I NEED HER TO BRACE HERSELF.







EXCUSE ME, I'M OUT
STILL, I MUST PREPARE SOMETHING ELSE FOR NODOKA AND YUUKI TO DO, RATHER THAN ONLY HAVING MATCHES WITH OTHER SCHOOLS

TO FACE THE NEXT STAGE, IMPROVE YOURSELF...!!

Better raw this time and hopefully (still) readable translation and edit.
Apparently I keep forgetting to mention that the raws for last few chapters (and this chapter) was provided by the now-dead raw-paradise. But don't worry because I've got another source... the details will be in next chapters' credit page.
And don't you curious on what's happened between Hisa and Yume? I sure do. She's yet another awesome yuribait, lulz.

ZOMG SO FAST. Since most of the staffs are busy and there are only so few dialogue, I decided to finish this chapter on my own (also to keep my scanlation skills up - whatever exists). Blame (notify) me if you have problem reading the small font size used in this chapter.
So the training camp chapters is cut short and fast forwarded to the nationals. My estimation of ETA for possible sequel is kind of missed now. Hurrr.
The raws was obtained from share (yay), thanks to one of our ancient staff willfully helped me obtaining it.
With this, we've caught up with latest chapter of Saki.

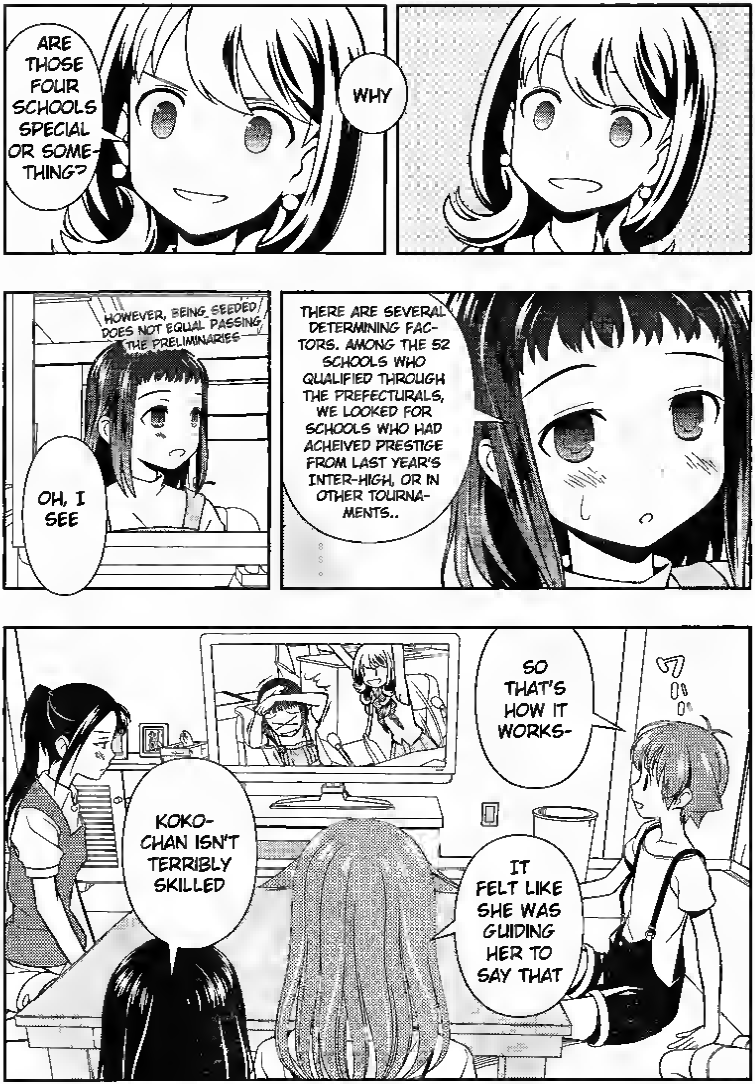
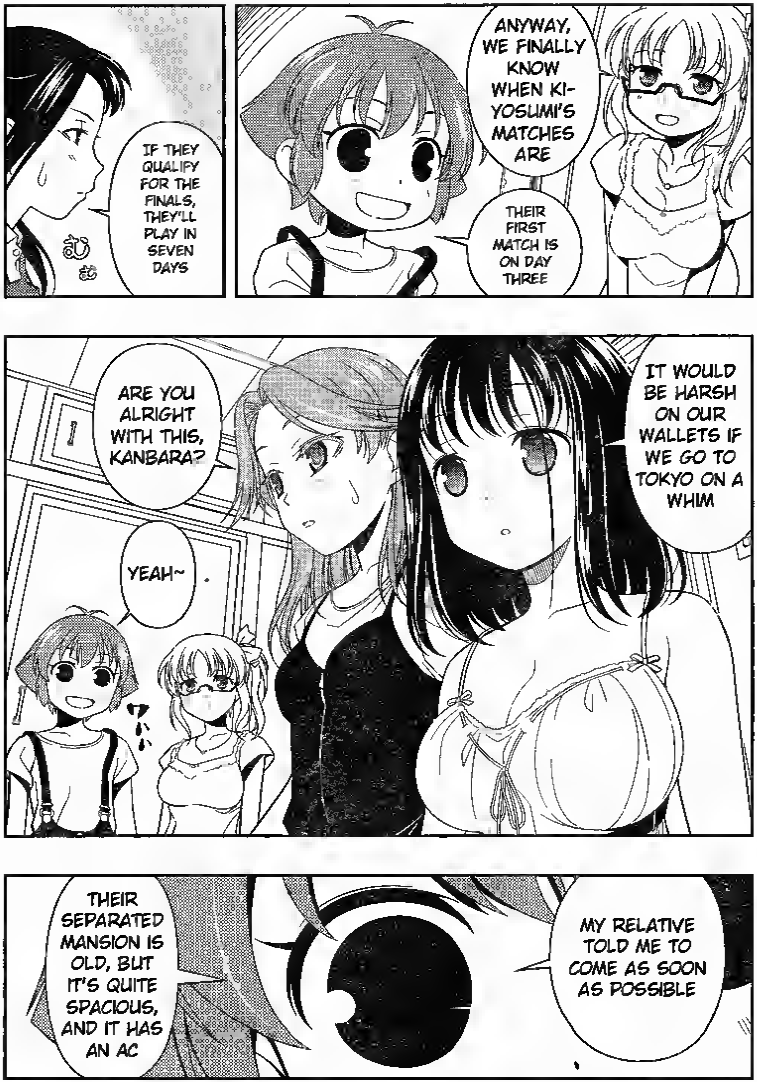
THIS WILL BE A HEATED SUMMER FOR THESE 48 SCHOOLS!
ER
WAIT ...
KOKO-CHAN?
HM ...?
DO YOU PREFER "BRACKET" OVER "LADDER"?
UM, IT DOESN'T MATTER TO ME, BUT I MUST CORRECT YOU. IT'S 52 SCHOOLS, NOT 48
WHAT?
BUT WEREN'T 48 SCHOOLS CHOSEN FOR THE PREFECTURALS?
WELL, THE FOUR SEEDED SCHOOLS ARE EXEMPT FROM THE PREFECTURAL SELECTION...
... WAIT
DIDN'T I JUST EXPLAIN THIS BEFORE OVER THE RADIO?!

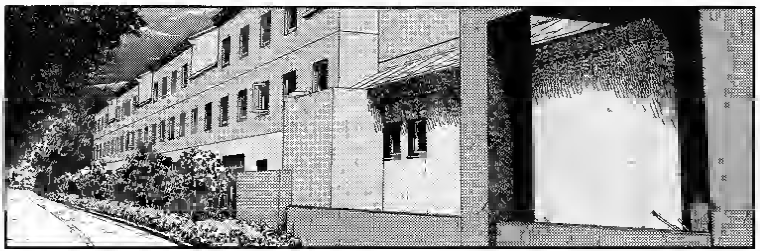


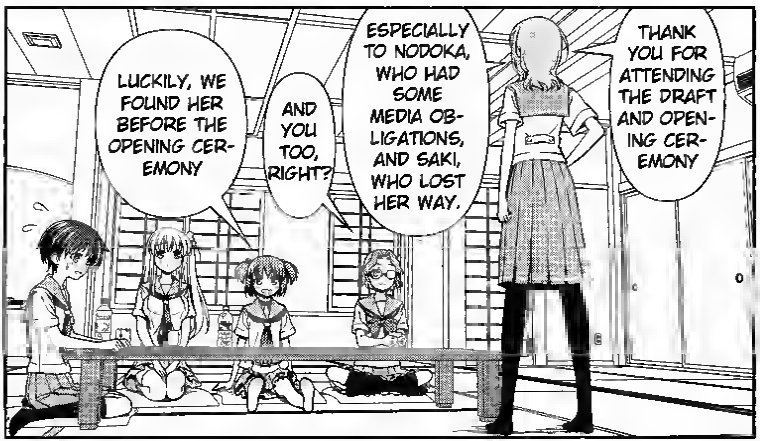
ARE THOSE FOUR SCHOOLS SPECIAL OR SOMETHING?
WHY
HOWEVER, BEING SEEDED DOES NOT EQUAL PASSING THE PRELIMINARIES
OH, I SEE
THERE ARE SEVERAL DETERMINING FACTORS. AMONG THE 52 SCHOOLS WHO QUALIFIED THROUGH THE PREFECTURALS, WE LOOKED FOR SCHOOLS WHO HAD ACHEIVED PRESTIGE FROM LAST YEAR'S INTER-HIGH, OR IN OTHER TOURNAMENTS..
SO THAT'S HOW IT WORKS-
KOKO-CHAN ISN'T TERRIBLY SKILLED
IT FELT LIKE SHE WAS GUIDING HER TO SAY THAT



IF THEY QUALIFY FOR THE FINALS, THEY'LL PLAY IN SEVEN DAYS
ANYWAY, WE FINALLY KNOW WHEN KI-YOSUMI'S MATCHES ARE
THEIR FIRST MATCH IS ON DAY THREE
ARE YOU ALRIGHT WITH THIS, KANBARA?
YEAH~
IT WOULD BE HARSH ON OUR WALLETS IF WE GO TO TOKYO ON A WHIM
THEIR SEPARATED MANSION IS OLD, BUT IT'S QUITE SPACIOUS, AND IT HAS AN AC
MY RELATIVE TOLD ME TO COME AS SOON AS POSSIBLE

THE ONLY PROBLEM LEFT IS THE FOOD
WAHAHA
WE'LL BE TRUSTING YOU WITH THAT, KANBARA ...





THANK YOU FOR ATTENDING THE DRAFT AND OPENING CEREMONY
ESPECIALLY TO NODOKA, WHO HAD SOME MEDIA OBLIGATIONS, AND SAKI, WHO LOST HER WAY.
AND YOU TOO, RIGHT?
LUCKILY, WE FOUND HER BEFORE THE OPENING CEREMONY

OUR FIRST MATCH WILL BE ON DAY THREE, SO WE WON'T HAVE ANY MATCHES TOMORROW OR THE DAY AFTER THAT
I'D LIKE TO REMIND YOU ALL NOT TO GET TOO COMFORTABLE, ...BUT
YOU'LL HAVE FREE TIME TOMORROW MORNING
DO AS YOU PLEASE YOU CAN WATCH THE FIRST MATCH, DO SOME SIGHTSEEING IN TOKYO ...
OR WE COULD JUST SLEEP. THAT'D BE FINE
EATING A TACO LUNCHSET AT A MEXICIAN RESTAURANT WOULD BE FINE TOO!
AH ...
THAT'S RIGHT ...
I MUST RETURN THIS SKIRT TO SOMEYA-SEMPAI
ERR... WHAT DO YOU MEAN?
I WAS HALF-ASLEEP THIS MORNING, SO I TOOK HER SKIRT BY ACCIDENT.

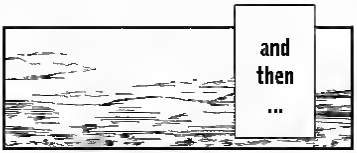
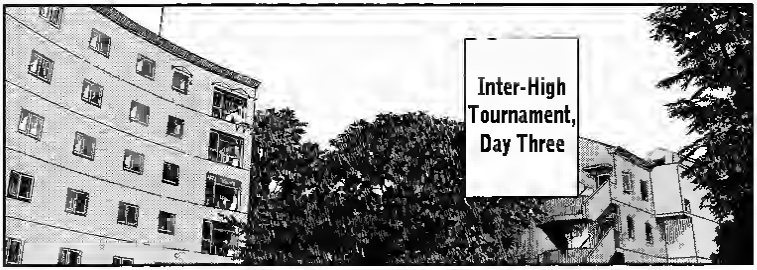
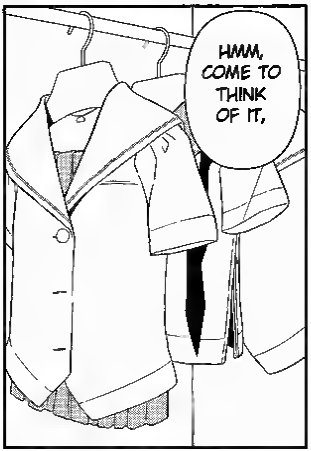
HMM... YOU THINK SO?
I THINK THAT SKIRT LOOKS GOOD ON YOU
.....
YES, IT DOES
IT LOOKS FINE TO ME
AWA WA-WA
HURRY UP AND PUT IT BACK ON!
WILL THIS BE THE LAST TIME WE RELAX LIKE THIS...?



and then ...

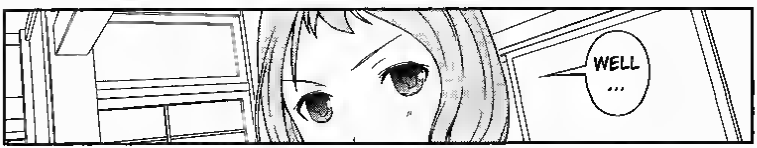


Inter-High Tournament, Day Three



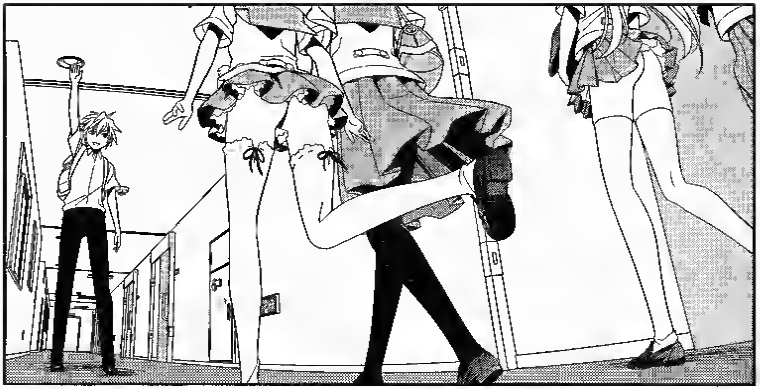
HMM, COME TO THINK OF IT,

WHEN WE HANG UP OUR UNI-FORMS AT IN THESE CLOSETS, IT KIND OF RILES ME UP
WHAT KIND OF NON-SENSE ARE YOU SPEW-ING?



WELL ...

WAKE UP! RISE AND SHINE!
THIS IS OUR DEBUT ON THE NATIONAL STAGE!
FWA



BY THE WAY ...

WE'D LIKE TO ANNOUNCE THAT THE SEVENTH TO NINTH MATCHES OF THE INTER-HIGH
HAVE NOW BEGUN!!

I'm too lazy to copypaste some random lulz from editor and translator.

There's still no mahjong this chapter which is good for my brain. Oh and I noticed there are quite a lot of mistake in my terminology usage/translation in previous chapters which I just realized after actually playing mahjong. Just in case you didn't know already, you can play mahjong online for free at tenhou.net. It's in Japanese but English guide is available at #mahjong in Rizon.

In this chapter Kyoutaro has changed class from mahjong player (er, has he ever become one?) to Yuuki's personal Taco cook. Lulz. And in case you forgot, Hisa is a student council president.

Addionally, thanks to d-one for helping me cleaning the scans.

A CRITICAL HIT BLOOMS IN THE INTERHIGH...!!

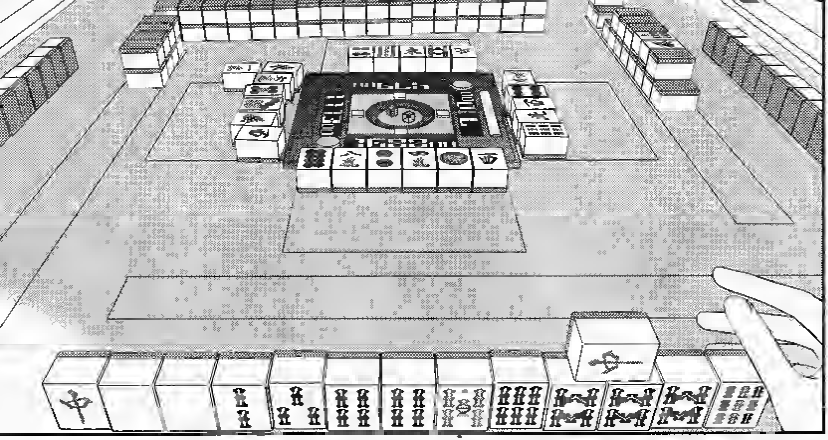
## Hand 68 Battle Starts

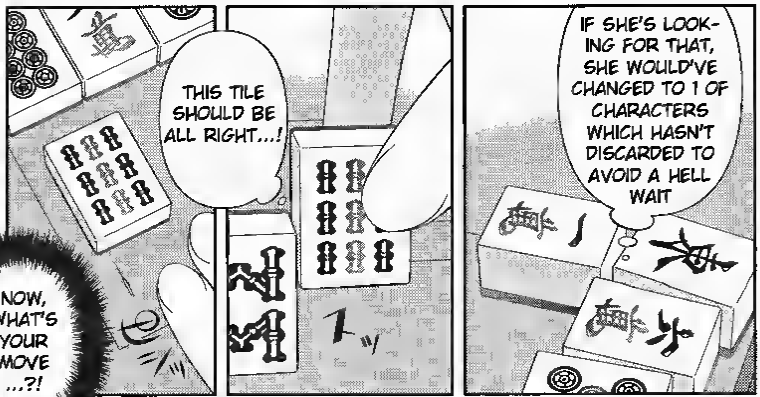
IT'S THE THIRD BATTLE OF PRELIMI-NARY'S NINTH MATCH!!
THE MATCH IS HEATING UP, AND IT'S ABOUT TO GET IN-TEREST-ING
Saki
...BUT IT DIDN'T

.....
IN THE LEAD IS KAROUTO HIGH OUT OF HIROSHIMA. THEY'RE MAINTAINING POSITION BY TAKING ADVANTAGE OF POINTS THEY EARNED EARLY IN THE MATCH!
Karouto (Hiroshima)
Senior
Sasano Ichigo
168,800
BUT HIME-MATSU HIGH, RANKED FIFTH IN THIS YEAR'S SPRING TOUR-NAMENT, IS LURKING IN SECOND BY 50,000 POINTS!
Hida Business (Gifu)
Junior
Fushiya Natsu
71,000
HOW WILL HIDA BUSINESS SCHOOL AND KURATSUKI HIGH HANDLE THIS SITUA-TION...?!
Himematsu
(South Osaka)
Senior
Atago Hiroe
111,300
Kuratsuki
(Ishikawa)
Junior
Noguchi Ayaka
47,900

GIFU'S HIDA BUSINESS - THE DEALER - HAS DECLARED A RIICHI
THE THIRD POSITION—
BUT CONSIDERING SHE SAID, "RINSHAN KAIHO-, NOT!", DOES THAT MEAN SHE'S AT TENPAI...?
OPPOSITE TO HER, HIMEMATSU, ADDED KAN
WELL THEN
AND KURATSUKI'S ALREADY BAILED ...

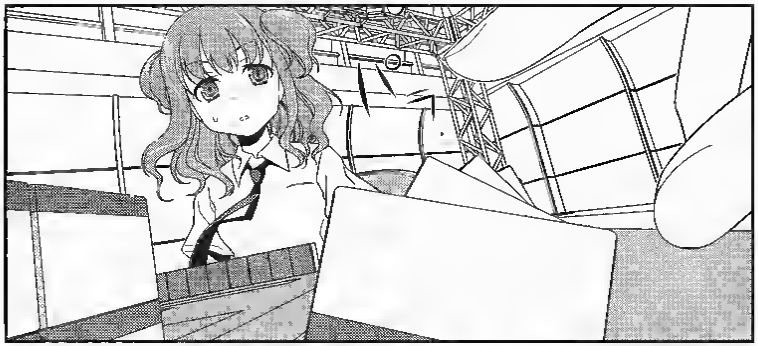


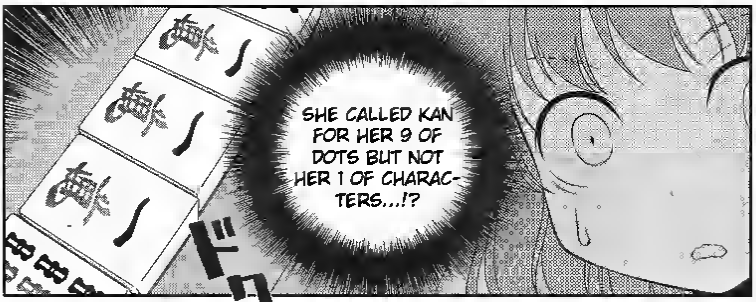
HIMEMATSU'S HAND MUST BE EITHER CHANTA OR TOITOI... ONE LAST 8 OF BAMBOO HASN'T BEEN DISCARDED, AND IF SHE IS WAITING FOR THE 9 OF BAMBOO, THEN IT'S A HELL WAIT
IT'D BE A SANBAIMAN EVEN WITHOUT DECLARING RIICHI IF I CAN TSUMO... KURATSUKI DOESN'T NEED THE 9 OF BAMBOO, NOR DOES THE DEALER, HIDA BUSINESS...



THIS TILE SHOULD BE ALL RIGHT...!
IF SHE'S LOOKING FOR THAT, SHE WOULD'VE CHANGED TO 1 OF CHARACTERS WHICH HASN'T DISCARDED TO AVOID A HELL WAIT
NOW, WHAT'S YOUR MOVE ...?!

RON
WHAT A MESS... BUT IT'S A CHEAP HAND, SO WHATEVER ...
I ALWAYS WONDER WHY CHANTA IS SO CHEAP ...
BUT NOW, I MUST SAY THANKS TO THAT
!?





SHE CALLED KAN FOR HER 9 OF DOTS BUT NOT HER 1 OF CHARACTERS...!?

AND THIS HAND...

IT COULDN'T BE...!!

HOW COULD I EVER EXPECT IT...?
CHIN-ROUTOU!!

HOW'S THAT? IT HURTS YOU MORE THAN YOU EXPECTED, I GUESS

THE NINTH MATCH, THIRD FIGHT IS OVER
HIME-MATSU HIGH'S CAPTAIN, ATAGO HIROE,
HAS WON IN A REVERSAL VICTORY WITH A DIRECT HIT YAKUMAN!
THAT WAS MY FIRST YAKUMAN IN THE INTER-HIGH ...

THAT BRAIDED ONE HAS STUPID LUCK
THE GAME FINISHED WITH WEIRD HANDS, AND THEN WITH THE DEALER WINNING CONSECUTIVELY

HMM
AMAE KOROMO -CHAN
HOW SCARY
THEY DEFEATED THAT RYUUMONBUCHI
KIYOSUMI... WELL
OH, THAT LITTLE GIRL. SHE WAS AMAZING LAST YEAR...
BUT I THINK IT'LL BE A HARD TASK WITH THESE 3 SCHOOLS
KIYOSUMI MUST BE DOING MORE THAN RYUUMONBUCHI WAS
SHE DEFEATED 2 SCHOOLS IN THE PRELIMINARY, THEN 3 SCHOOLS IN THE SEMI-FINAL...
WHY?

PRIN-CESS!
EVEN SO, WE MUST BE AWARE,
BECAUSE THEY COME FROM A PRE-FECTURE THAT HAS ONLY A FEW SCHOOLS PARTICIPAT-ING?
THEY'VE GOT THE SAME HONOR AS OUR RIVALS IN THE PREFECTURALS
EVEN THOUGH THEY COME FROM A PREFECTURE WHERE ONLY 20 SCHOOLS PARTICI-PATED,
...WHO WE DESPISED ..?
WERE THERE ANY OPPONENTS OUT OF THE THREE IN OUR FINAL MATCH IN THE PRE-FECTUR-ALS..

LET'S SHOW OUR RE-SPECT...
TO EVERY-ONE WHO PLAYS WITH US
EH...?
AND IT'S ALL OVER ...!!

KIYOSUMI HIGH'S THIRD PLAYER, TAKEI HISA,
WHO HAS WON SIX CONSECTUIVE TIMES AS A DEALER, FINISHED IT WITH A DIRECT HIT!
SHE ENDED THE MATCH WITHOUT HAVING VICE CAPTAINS TO PLAY!

WELL, WELL,
I THINK WE OUGHTA INFLICT A LITTLE BIT OF PAIN ON THEM...!

Derp, this chapter confused me with all "match", "battle" and "round" terminology. To put it simply, "match" is all five battles for the team. The matches told in this chapter is in preliminary ("first round"). I can't quite use "round" though as it's used for noting the battle itself (hanchan/renchan)

Regarding onee-chan, from iamthecheese: "I somehow doubt they're actually siblings. And if not, that's really damn kinky." Yea, probably not siblings and therefore it's in line with the infamous "onee-sama", just this one uses -chan instead of -sama for whatever reason

The following page, though, as you probably expected, "princess" is really "hime-sama". It's quite generic and doesn't imply anything extra so I figured "princess" should be okay. And for some reason iamthecheese got overly excited ("ﾍﾍ————( ∀ )————ﾝﾝﾝﾝ") Hurr

With regard to last page's Hiroe's reaction:
- fidzerone: I think she would end up giving her virginity to Hisa-tp
- iamthecheese: The fanart is already out. There is not a single person alive who Hisa cannot seduce. On a serious note, I like how Jindai and Hiroe seem to serve as foils for one another... Jindai is dignified, respectful, and sportsmanlike, while Hiroe is rough, arrogant, and sadistic. And given that Eisui bumped Himematsu from their seed, I'd look out for some one-sided tension between the two
- edogawaconan: ahahaha~ (both to Hiroe's reaction and the two above's reactions)

Lastly, good thing I already understood some mahjong - or else the terminologies would kill me again. And yes, our early releases have many fatal mistakes in this regard. Hahahaha. Thanks again to folks at #mahjong for hints

Hey look, there's NOTES. Freaking notes. This is the abridged version. I initially wrote longer version which can rival Wikipedia in term of length but then I decided to nuke them all to shorten this page. Read corresponding Wikipedia pages[1][2] for detail. Also Tenhou Documentation[3].

**Page 5:**
"It'd be a sanbaiman even without declaring riichi if I can tsumo". Her current hand:
- Dora (Indicator: green dragon -> dora: red dragon): 2 han
- Dora (Indicator: 7 of characters -> dora: 8 of characters): 3 han
- Dora (red): 1 han
- Honitsu (closed hands): 3 han

with total of 9 han, it's 2 han away to sanbaiman which can be obtained by tsumo (1 han) and red dragon as completing tile (1 han). Riichi would ease up the requirement of tsumo but then for whatever reason she decided not to declare riichi.
"Kuratsuki doesn't need the 9 of bamboo, nor does the dealer, Hida Business", because they two have discarded 9 of bamboo.

**Page 7:**
"She called kan for her 9 of dots but not her 1 of characters...!?". HAHAHA DECEIVED.

**Page 16:**
"She ended the match without having vice captains to play". aka she made one of her opponents' point drop below zero - hence no vice and captain fights.
*> Implies Hisa is totally awesome in this chapter*

Yoohoo! I am the cheese, and I'm going to be doing the commentary for the notes page for the first time.

After a 3 week hiatus, this chapter really brought the main storyline back in a very strong fashion. I mean, Yuuki's Manteau powerup was cool enough, but the emergence of her inner motive really added a lot to her character, and certainly made her gain a bunch of points in my book. And how about Takami, after all the hype surrounding Teru, Sumire, and Awai, taking the first post-introductory appearance for a Shiraitodai character in the manga? Way to go, Shibuya!

Anyway, the Unlimited Taco Works will continue on September 3rd, with what may be our first look at a long awaited exhibit of Jindai's power. Just what is she capable of? And will Yuuki be able to hold station, or will she stumble like in the past? Well... For now, here's assorted riff raff from this chapter's script.

<edogawaconan: too many to list :D> Make them shorter or better: summanize them in one page. Anyways, I put them on website>

Ha! I hope you didn't get too confused in this chapter with my attempt at translating the terminologies. You can always fall back to "who cares on what actually happens in the game~ it doesn't matter for understanding the story anyway". And then there's this Wikipedia if you want to get better understanding.

Well, for once, the release is within week of the actual chapter publication date. Many thanks to members of id-anime for providing internet access for downloading the raw from share. Of course it's also thanks to someone from share for his/her scans which provided the raw faster than usual.

**fidzerone**: OOOOHHH!! sorry for calling you TACO girl previous chapters.. you're doing great YUUKI!
**iamthecheese**: That's it. I'm weanng a Manteau whereever I go from now on. Yuuki has grown tremendously as a character and is gaining my respect more and more as each chapter goes by. If she can put a full game together, she'll prove a lot of things to a lot of people. GO! GO! GO!

PLAY BEYOND MY VERY BEST!

!
SO SUDDENLY!?
……
AH…
THIS LOOKS BAD…

Dunn dunn. Epicly late release for this chapter after previous 2-days release. Initially it was the script which was quite worse than usual. But that's actually solved after few days, which then I totally lazy and played mahjong instead of finishing the chapter. At least there won't be any new chapter until next week.

Finally, special thanks to __ar from UTW for providing raw for this chapter o/
